### Buyers And Renters Find Opportunities In Tight Market

Chicago Tribune

Chicago-based Lexington Homes is seeing strong demand from buyers at its two Bridgeport communities. (Andrew A. Nelles, for the Chicago Tribune)

As noted in this *Chicago Tribune* story, as the real estate market continues to rebound and inventory remains low, Taylor Johnson client [Lexington Homes](#) has seen a rush of young families flocking to its new single-family homes and rowhomes in Bridgeport. But it's not just homebuilders that are keeping busy due to high demand. The story also calls out apartment developers like Taylor Johnson client, [Fifield Cos.](#), which has several new apartment projects in various stages of development, including E2 in Evanston, which recently broke ground.
