### Gaining Ground

Builder Magazine

Lexington Place, located in Chicago's Bridgeport neighborhood, is one of Lexington Homes' infill projects.

As one of Chicago's oldest private homebuilders, [Taylor Johnson](#) client [Lexington Homes](#) knows a thing or two about building and selling new homes. So of course *Builder Magazine* knew Lexington's Jeff Benach was the go-to expert to discuss how the firm is taking advantage of close-in suburban and urban in-fill projects that other national and regional Chicago builders can't or won't.
