

Tour a new townhome at Park Ridge Place

by sponsored post on 9/3/15

[Lexington Homes](#), one of Chicagoland's most experienced and innovative builders, is nearing a sellout at [Park Ridge Place](#) in Park Ridge.

The homes are priced from \$392,490 and feature 3 bedrooms, 2 ½ baths and an attached 2-car garage. Join us for a visual tour of Unit 1005. Click any image to enlarge it.

The corner home has a spacious, bright, open living area with high ceilings, windows on three walls, hardwood floors, crown moldings, open stair railings and rough-sawn marble around the fireplace.

The kitchen has a large breakfast bar island with granite counters. The kitchen is open to a large dining area. A deck off the kitchen, ideal for grilling and relaxing, spans nearly the entire width of the home.

There's a nice-sized powder room with a pedestal sink on the main living level, and a coat closet. A half flight of stairs takes you to an entry foyer and another half flight leads to a lower level family room / office and the 2-car garage.

A south-facing window lights up the stairwell to the second floor. That's a wonderful feature you don't always see in townhomes.

The master suite, at the top of the stairs, has a vaulted ceiling and windows on two walls.

The master bath has a dual-bowl vanity with a bank of drawers, an oversized walk-in shower and a window. The master closet has ample hanging space.

There are two sunny bedrooms and an additional full bath on the second level.

The laundry connections are on the second level, and there's also a linen closet.

The Park Ridge Place community is located on Dee Road, just south of Touhy Ave, a quarter-mile from the highly-rated [Maine South High School](#). The [Dee Road](#) and downtown [Park Ridge Metra](#) stations are each just over a mile from Park Ridge Place. Expressway access is nearby.

The sales office for [Park Ridge Place](#) is open daily at 8340 Concord Dr in Morton Grove. For more information, or to make an appointment, visit the community's website or call 847-232-7711.
